Software License Agreement

This Software License Agreement (hereinafter the "Agreement") is a legal contract made between you (regardless of an individual or a legal entity) and Murata Machinery, Ltd. (hereinafter "Murata") regarding the HP Web JetAdmin Plug-in and any accompanying written materials (hereinafter the "Software").

Please read the following terms carefully before installing the Software.

You can install and use the Software subject to your knowledge and acceptance of all of the following terms. If you do not agree to any of the following terms, you should cancel the installation process.

1. The condition of the software license:

1-1 You may use the Software only in the country of your purchase and only for the purpose of using the hardware of Murata and other companies approved by Murata (hereinafter "OEM Companies").

1-2 In the case you designate any person other than yourself to use (including but not limited to access Software from the network computer) Software, you must take the proper steps so that the designated person shall comply with provisions and restrictions of this Agreement.

1-3 You may use the Software only in compliance with notices and restrictions in any provided written documentation.

2. Reservation of Rights and Limitations

2-1 Any and all copyright and any other intellectual property regarding the Software remain solely the property of original copyright holder (hereinafter "Copyrightier") and Murata.

2-2 You must not modify, alter all or any part of the Software. You must not make any attempt to discover the source code of the Software by any method including reverse-engineering, de-compiling, or de-assembling.

2-3 You must not sell, transfer, rent, lease or sublicense the Software to any third party by transmitting the Software via phone-line or network, or by copying the Software to floppy disk, CD-ROM, magnetic data tape or any other media.

2-4 Software is subject to changes and/or discontinuation by Murata or Copyrightier in its specifications and program without any prior notice.

3. No Liability

3-1 Before installing the software, you are supposed to take any and all procedures necessary to secure your records and data at your cost and responsibility, including making backup of your computer files. Neither Murata, Copyrightier, OEM Companies nor their distributors/sub-distributors shall be liable for any damage or loss caused by your failure of taking the foregoing procedure.

3-2 Neither Murata, Copyrightier, OEM Companies nor their distributors/sub-distributors shall be liable for any damage or loss caused by (1) use of the software in combination with the hardware other than the hardware which is defined in written materials or (2) modification of the software.

3-3 Neither Murata, Copyrightier, OEM Companies nor their distributors/sub-distributors shall be liable for any representation, warranty, advertisement regarding the function or fitness for a particular purpose of Software made without authorization by Murata.
