## Muratec products and services are...

- Sold and supported exclusively through the independent office equipment dealer channel.
- Manufactured according to the rigid ISO9002 international standard.
- Designed for responsible energy use and feature the Environmental Protection Agency's Energy Star label. Muratec also offers a toner recycling program to promote environmental friendliness.
- Private labeled by some of the office equipment industries most recognized brands and included in their product lines.
- By combining a small footprint with intuitive operation, segment-leading functionality and an impressive total cost of ownership, Muratec is a leading MFP supplier to restaurants, medical offices, construction offices, classrooms and remote office locations.

## Muratec products feature innovative technology such as...

- The *Network Gateway Platform (NGP)* which allows for seamless network connectivity and innovative digital document delivery solutions.
- *ScanTag* which allows users to seamlessly enter metadata at the Muratec control panel to enable automatic archiving into document management systems. ScanTag has been integrated with leading document management providers such as:

- *OfficeBridge* which increases the functionality of Muratec MFP's by offering seamless network device management and award-winning workflow solutions.
- *QuadAccess* which allows for the simultaneous use of up to four machine functions.
- *DirectScan* allows documents to be scanned directly from Muratec MFP's into network folders, without any additional hardware or software.
- *E-Mail Gateway* enables a seamless connection between Muratec MFP's and network fax servers.
- *Touchscreen operation* on workgroup MFP's.

DEPLOY. DUPLICATE. DIGITIZE. DELIVER.
